

# Helpful Hints About Seat Selection

## Back Wall

- Seats are numbered chronologically starting with seat #4 on the aisle on the right side as you face the back wall.
- (Only Row G starts with seat #1.)
- Seat numbers get larger as you move towards the left side of the back wall.
- Seat #17 is the center seat on the back wall.
- Higher # seats are towards the left side of the back wall.
- Lower # seats are towards the right side of the back wall.

## Side Wall

- Right and Left Side are as you face the front of the court from the back wall.
- Lower # seats are nearer to the back of the court.
- Higher # seats put you closer to the front of the court.
- Seat #9 is on a direct sight line to the T.
- Left wall seats are very close to the side wall of the court.
- Left wall first row seats are folding chairs; 2nd and 3rd rows are bucket style seating.
